YOUTH LEADERSHIP CONFERENCE AFTER-ACTION REVIEW

Time / Schedule

Staff will consider revising the schedule in 2011. Currently, there are two consecutive morning sessions before lunch. The keynote speaker presents during the lunch hour and the panel discussion takes place after lunch.

Suggestions:

- Move all sessions and panel discussion to the morning
- End the day after lunch an hour earlier (1:30 p.m.)

Breakfast / Lunchtime

Suggestions:

- Cut back on breakfast – start sessions after a brief “welcome time”
- Food for lunch - no change
- Table topics – no change
- End with door prizes and table art (good idea) award at the end of the day

Speakers

Suggestions:

- More interactive

Panelist Discussion

Suggestions:

- Give students more opportunity to ask questions
- Less formal, more personal (a one-on-one approach)

SERVICE PROJECT – EARTH DAY

For this year’s service project, commission members were invited to participate in the 2010 Earth Day activities on Thursday, April 22nd. The Beautification Commission, Parks and Recreation Commission, Youth Commission and Tree Board will partner to plant approximately

100 Redbuds and 100 native Dogwoods along the greenway at the Wolf River Nature Area. The event will be promoted in the Germantown News and citizens are expected to participate as well.

Each individual was asked to bring a shovel, a pair of gloves, wear jeans and sturdy shoes. Staff will provide t-shirts and bottled water.
