Chairman Skaggs called the meeting to order at approximately 4:00 p.m.

2. Establishment of Quorum:

Johnathan Thorne called the roll to establish a quorum.

Voting Members Present: Ethan Skaggs, Stephen Edwards, James Greenlee, Dr. Claudio Meier, and Alderman Jon McCreery.

Non-voting Members Present: James Dickey - FAC Liaison and Sharon Goldsworthy

Staff Present: Johnathan Thorne

3. Approval of the Minutes:

MOTION: To approve the minutes for the May 9, 2024 meeting.

Motioned by: Stephen Edwards, Seconded by: Dr. Claudio Meier

Adoption approved: All present members voted "Yes"

4. Chairman Comments:

Citizens to be heard from the last meeting on May 9, 2024 were followed up with. The drainage structures were determined to not be public. The city is providing support to TDEC and the homeowners.

Plan to meet with the HOA and property owners adjacent to the Miller Farms Ditch Project to get the work started.

Duntreath Phase 1 wrapping up. Duntreath phase 2 Precon meeting is coming up soon.

Green Knoll Drainage Precon is coming up soon.

Cedar Wood Mimosa Drainage Precon is coming up soon.

Potential plans for communication via YouTube and Facebook.

5. Citizens to Be Heard:

There were no citizens to be heard.

6. Stormwater Manual Discussion

The successful engineering firm for the stormwater manual is Cannon&Cannon. There will be a kickoff meeting in August to start the process. Cannon&Cannon will start phase 1 and come speak to the commission.

7. TN SmartYards

No SmartYard update..

8. New Business:

Next meeting will be on September 12, 2024 at 4:00 pm at Fire Station 4.

Barge Design Solutions will present their project in the next meeting.

9. Adjournment:

The meeting was adjourned at approximately 5:00 pm.
